Wynne Davies Estate Agents is committed to promoting equal opportunities both in the provision of housing services and in our employment practices. Wynne Davies Estate Agents serves diverse equality in all our services throughout Conwy, and we recognise that many within this community suffer from discrimination, disadvantage and injustice. Through our work in providing rental property, we can and should help ensure fair treatment for all our customers, regardless of race, ethnic origin, or nationality, gender, disability, whether mental or physical, religion, marital or family status, sexuality or sexual orientation, HIV status, age or physical appearance. We recognise that because some groups of people experience prejudice or discrimination, for us to really ensure opportunities are equal and fare we treat everyone as equal.
